

2019 PONI Conference Series Research Proposal

Do's and Don'ts of Presenting

1. **Do** have a specific presentation in mind—all presenters are required to complete a presentation review with their draft slides.
2. **Do** research your moderator—they will frequently ask questions during our question and answer sections.
3. **Do** be communicative with the PONI team—make sure to respond to all emails about the conference.
4. **Do** meet deadlines—the PONI team will need final slides and bios of all presenters in advance of the conference.
5. **Do** register yourself for the conference—especially for regional conferences that require
6. **Do** know that presenters are required to attend the conference in full.
7. **Don't** go over time—all presenters have 10-15 minutes for their presentations
8. **Don't** just reuse a previous presentation—we ask that you modify slides and the presentation to fit the parameters of our conference.

Name:

Organization/Affiliation and Job Title:

Citizenship:

Many PONI Conference locations require pre-approval for access to the facility, and this process can take up to 90 days for non-U.S. citizens.

Presentation title:

Problem Statement: What is your presentation's main argument? How does this work contribute to new thinking on the topic? (400 words)

Why are you interested in participating in the PONI conference series? (200 words)
