PONI Conference Series Research Proposal

Do’s and Don’ts of Presenting

1. **Do** have a specific presentation in mind—all presenters are required to complete a presentation review with their draft slides.
2. **Do** research your moderator—they will frequently ask questions during our question and answer sections.
3. **Do** be communicative with the PONI team—make sure to respond to all emails about the conference.
4. **Do** meet deadlines—the PONI team will need final slides and bios of all presenters in advance of the conference.
5. **Do** register yourself for the conference—especially for regional conferences that require
6. **Do** know that presenters are required to attend the conference in full.
7. **Don’t** go over time—all presenters have 10-15 minutes for their presentations
8. **Don’t** just reuse a previous presentation—we ask that you modify slides and the presentation to fit the parameters of our conference.
